

*In Loving Memory*

**Linda K. Young**  
*November 13, 1947 – October 4, 2011*

Linda Young, Senior Consultant with Young & Associates, Inc., passed away October 4, 2011, after a short illness.

Born November 13, 1947, Linda was a dedicated employee of Young & Associates, Inc. for over 10 years. She was vital part of the company's Lending Division, where she performed numerous types of lending reviews, conducted training seminars, contributed to corporate publications, and assisted with product development.

Gary Young, CEO, reflected on the day of her passing . . .

*"Linda was strong, she was a fighter, and she maintained a positive attitude. While the outcome was out of her control, she lived fully until there was no longer life. May we all be so blessed. And I thank Linda for teaching us this life lesson."*

Jim Kleinfelter, President, commented at Linda's memorial service:

*"In addition to being a wonderful and caring person, I will always remember Linda for being up to any challenge a client bank might have. When a bank would call to see if we could help them, Linda's response was always, "we can do that." Or, if asked to help another division of Young & Associates, she always was willing to help and was fearless in working in new or different areas. She will be sorely missed not only for her technical skills but her friendship and kindness."*

Linda is survived by her mother, Lena Johns; sisters, Kathy (Ron) McCloskey and Karen Paone; brothers, Ken (Donna) Johns II and Jeff Johns; and 16 nieces and nephews. Her father, Kenneth A. Johns, preceded her in death.

She will be greatly missed by the rest of her corporate family here at Young & Associates, Inc. and by so many community bankers across the country.
